

K9 Kindergarten

Class Sizes: 4-8 dogs

Cost: \$149 + GST

Duration: 6 weeks. We start with a 90 minute Seminar, followed by five weekly one hour classes with your puppy.

Socialization is a crucial part of canine development; set your puppy up for lifelong success by starting good habits early! This class will give you a better understanding of canine communication, helping to ensure early socialization experiences are positive. Practice polite greetings, appropriate play and basic manners in a safe and controlled environment!

ELIGIBILITY:

- Puppies up to 18 weeks of age
- Must have proof of two sets of Canine Combo Vaccine and the Bordetella (Kennel Cough) vaccination
- Open to puppies of all sizes

CONTENT

- Making socialization safe and positive for young dogs
- Recognizing the difference between appropriate and inappropriate interactions with other dogs and people
- Introduction to basic training cues- focus, sit, down, recall, and walking on leash
- Fundamentals of Canine Communication and Body Language
- Address common puppy issues: separation anxiety, house training, crate training, mouthing, manners, etc.
- Identify and work with different dog personalities (shy, fearful, assertive, anxious, excited, etc.)
